TRACT
INFECTIONS

7TH FORUM ON RESPIRATORY TRACT INFECTIONS

GLASGOW
3-5 FEBRUARY 2025

A chance to play in shaping this pivotal era of groundbreaking research in respiratory diseases.

CHAIRMAN

James D. CHALMERS (Dundee)

SCIENTIFIC COMMITTEE

Debby BOGAERT (Edinburgh)

Andrea COLLINS (Liverpool)

Anthony DE SOYZA (Newcastle)

Michael LOEBINGER (London)

Organising Secretariat

RTI-FORUM.ORG

BE PART OF THE SCIENTIFIC PROGRAMME

RISING STAR PROGRAMME:

- Present your work in the main auditorium with Q&A from international experts
- Receive a full hosting package (free registration, travel and accommodation)

CALL FOR ABSTRACTS:

Oral presentation: Present your work in the main auditorium with Q&A from international experts

Poster presentation: Display your poster in front of the entire audience and briefly present your research + Q&A during the dedicated strolling poster sessions

All presenters will receive the personal feedback of the Scientific Committee of the Forum who will provide useful advice for the development of the winners' career as researchers and international conference faculty

Deadline: 5 November 2024
